Dear Comrades,

The decision of the Joint Action Committee of BSNL Unions / Associations to go on indefinite strike has electrified the entire workers into action. The massive Dharna on 26th March in the Corporate Office, Circle and SSA Head Quarters have shown that the BSNL Workers are enthused by the unity and the joint decision to go on Indefinite Strike on the major issues facing the 3 lakh workers. We need not emphasise the importance and details of the demands since it have already been explained several times.

Meeting with Secretary, DoT:

After notice for strike was issued on 23rd March, 2010, the Secretary, DoT held a meeting with JCA leaders. While the discussion was cordial the issues raised have not been sorted out and settled. We have informed the management / DoT that unless the issues are settled, the strike will start on 20.04.2010 as already given notice of.

Form Joint Action Committee:

The JCA has decided that Joint Action Committee should be formed at all Circle / SSA levels with all the unions to organize the strike effectively. Wherever it is not formed so far, you should take immediate action for the same and report to CHQ.

Press Conference:

A press conference will be held at New Delhi by JCA on 15th April so that wide publicity is given. Similar press conference be held at all major centres.

Central TUs Support Strike:

Support and solidarity from many corners are coming. All the Central Trade Unions including INTUC & BMS in their meeting on 13th April 2010 have expressed their solidarity and support to the BSNL Workers strike. Confederation of Central Govt. Employees, AIIEA and many PSU unions have intimated their support. It is noteworthy that Coal Workers are going on 3 days strike on similar demands shortly.

Meet Members of Parliament:

Meet the Members of Parliament of your area and seek their support and also request them to raise the issue in Parliament. A write up on our demands has already been sent to you. Details are put on our website also.

Meet each and every worker, explain the issues and ensure that the entire workers participate in the strike. We should ensure 100% strike all over the country.

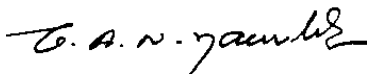

Now that there will be no time for circulars by post, all informations will be intimated through website or through SMS system. Watch the union website every day.

Towards Indefinite Strike !

Towards Success

With Warm Greetings,

Yours Fraternally
