

Congratulations and Revolutionary Greetings

The massive participation in the 48 hours strike by Non-Executive employees have surprised every one including BSNL management.

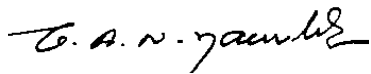

In the IV membership verification United Forum / BSNLEU won with 53.00% of polled votes. But in the 48 hours strike more than 70% - 80% workers participated all over India yesterday and it is expected to increase more today. All offices in Assam, NE-I, NE-II, West Bengal, Kolkata, Kerala etc. are closed. Even officers are not attending in many places. The entire BSNL machinery is down.

Protesting against the pro-management policy of their CHQ leadership many members of FNT0 and NFTE are participating in the strike. Some of their members have given leave also.

This is a historic strike in which maximum workers are participating. The circle wise reports are also being given to nail the rumours being spread by management and certain unions.

If the management do not take immediate action to settle the issues the United Forum will be compelled to go for indefinite strike to achieve the urgent demands.

CHQ conveys its Revolutionary Greetings and Red Salute to all Comrades who are on strike and those who support and extended solidarity to us.
