Dated 16-12-2011

To

All CGMs, BSNL Circles

Subject:- Expenditure Management – Control over Opex

Due to paucity of funds, this office is authorizing funds to circles on pro-rata allotment. It has been noticed that some circles are furnishing periodical cash requisition to this office under some heads/objects only on the basis of estimation i.e., without having passed bills in hand.

Therefore, IFAs of the circles/units are requested to ensure that periodical cash requisition may be sent to this office for actual expenditure and within pro-rata allotment only. Any funds rendered surplus with the circle/unit, may be surrendered immediately to enable this office to utilize funds optionally.
