OF BSNL EXECUTIVES & NON-EXECUTIVES**

D-7, Telegraph Place, Gole Market, New Delhi – 110 001

Press Release

15th December, 2011

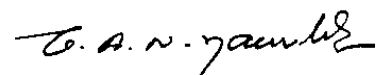

***Grand success of the strike in BSNL
on 15.12.2011***

The entire 2,76,000 Non-Executives and Executives and also about 50,000 Casual and Contract Workers have gone on a complete strike today (15.12.2011) in BSNL. In most of the Circles all the offices / exchanges are closed.

The strike is against the proposed VRS to retrench one lakh employees and against the policies of the Government resulting in losses to BSNL. It is against the inordinate delay in relieving the ITS officers who opted not to remain in BSNL but wanted to go to DOT. Their continuation as the responsible managers at Corporate / State / District levels in BSNL is further deteriorating the condition of BSNL. The employees demanded that the 78.2% DA merger for wage revision, and bonus should be given.

Through out the country in all the Circles the BSNL employees participated in full in the strike and warned the government and management to change their wrong policies. In case the issues are not settled, the JAC will decide upon further course of action.

The JAC congratulates all the BSNL Workers for the grand success of the strike. It expresses its thanks to all Members of Parliament, Central Trade Unions and All India Federations who have given support and solidarity.
