

Seminar held by the BSNLEU Khammam District Branch on the National Telecom Policy 2011.

A Seminar was held on 22-12-2011 at Khammam(A.P) by the BSNLEU Khammam District Branch on "National Telecom Policy 2011 and its effects on BSNL, its employees and the people. The Seminar was presided over by Com J.Sampath Rao, Circle Secretary. It was inaugurated by Com Tammineni Veerabhadram, Honorary District president of the KVPS(Kula vivakshata vyatireka poraata sangham)Union for the struggle against caste discrimination) and ex-MP. The seminar was addressed by Com P.Asokababu Deputy General Secretary. In his address, Com P.Asokababu highlighted the adverse effects of the proposed National Telecom Policy 2011 on the development of the telecom sector as a whole, on the PSUs in the telecom sector like C-DoT, ITI, BSNL and MTNL. He told that the telecom policies 1994, 1999 and the proposed 2011 policy are meant for furthering the interests of the Indian and foreign big capitalists in telecom sector at the cost of the self reliance and PSUs in telecom sector. He explained the alternative telecom policy submitted by BSNL Employees Union to the Government for its consideration. He explained about the positive results of the 15th December strike in BSNL and about the necessity for making the general strike on 28-2-2012 a grand success.
