

## ***One day Mass Fast programme observed very successfully***

The One day Mass Fast programme, as called on by the JAC, is observed enthusiastically throughout the country today. Reports keep pouring from all parts of the country regarding the massive participation of the employees in the fast programme. CHQ congratulates all the participants and also calls upon them to effectively organise for the next phase of the programme i.e. one day strike on 10<sup>th</sup> October, 2011. Here are some of the views of the Mass Fast programme observed today.
